

# Attention

## *T-ball & Little League Coaches*

**The Gila River Tribal Recreation will be hosting the upcoming baseball leagues starting in mid-May. There will be a new procedure that Requires that all coaches must have a current background check if you use Gila River vehicles, facilities, equipment and/or coach youth from the community. You must have a background check cleared before you can register your team for the leagues. To better protect the children in the community this procedure was implemented. The Background check may take as long as two to three weeks that's why we are giving some time to get them done before the seasons start. If you have any questions please contact us.**

**Please Contact Duane Guy
