Warm Week ahead

Warm! That will be the word of the week as we see a warm stretch in the Gila River Indian Community. Highs Monday in the Community will be in the mid 90's with plenty of sun.

We have a high pollution advisory for Maricopa County for today and for the next few days.

High Ozone levels will be the main concern, so try and limit exposure outside of you have respiratory issues. Be sure to apply sun block while being outdoors.

Highs will hover in the mid 90's for the first half of the week, climbing to near 100 on Thursday.
