April 24, 2018

While the Sacaton Elementary School District teachers and staff may individually support the ideas promoted by the nationwide #RedforED movement and the state wide decision to walk out/strike, the teachers and staff will not be walking out or striking. Sacaton Elementary District schools will remain open.

This means:

- The cafeteria will be open to serve lunch and breakfast.
- Students will be able to attend classes.
- Scheduled field trips and after school sports, practices, games and other events will still occur.
- The school bus will still be by to pick up and drop off students.
- Families will not have to secure alternate supervision for their students.
- The school year will not have to be extended.

Our staff undoubtedly deserves higher pay and we hope that the Arizona legislature will recognize the value that our teachers and staff provide each and every day to our students and will, in turn, provide additional funding for education.

Sincerely,

Mrs. Cherryl Paul  
Superintendent

**Superintendent**  
Mrs. Cherryl Paul

**Governing Board**  
Mrs. Elaine Moyah  
Ms. Jane Johnson  
Ms. Anika Evans  
Mrs. Laurie Thomas
