

# **Gila River Indian Community**

## **Department of Public Works**

### **PLEASE BE ADVISED**

Water reduction measures are being asked of all Community Members in Districts 5, 4, 3, 2, and 1 due to a well breakdown. The contractor has been scheduled to pull, inspect and repair the well as soon as possible, but we anticipate the repair will not be completed until Tuesday, July 2, 2024. Please cut down on activities like car washing, filling pools, water slides, or other activities that can be held off until after July 2, 2024. We appreciate your patience and understanding during these repairs.

### **Scheduled Repair Project Date**

*Monday, June 24th, 2024  
through  
Tuesday, July 2<sup>nd</sup>, 2024*

If you have any questions or concerns, please call the Department of Public Works at (520) 562-3343.

*Thank you for your cooperation.*
