### **PLEASE BE ADVISED**

Water reduction measures are being extended in Districts 1, 2, 3, 4, and 5 as progress continues to secure materials needed for repairs to the District 3 well. Please continue to cut down on activities like car washing, filling pools, water slides, or other activities that can be delayed until after July 19, 2024. We appreciate your patience and understanding during these repairs.

### **Repairs Continuing**

*Wednesday, July 10<sup>th</sup>, 2024*  
*through*  
*Friday, July 19<sup>th</sup>, 2024*

If you have any questions or concerns, please call the Department of Public Works at (520) 562-3343.

*Thank you for your cooperation.*
