

EAST QUEEN CREEK ROAD BETWEEN INTERSTATE 10 (I-10) AND SOUTH PRICE ROAD

The Maricopa County Department of Transportation (MCDOT) will be performing maintenance work on East Queen Creek Road, from Interstate 10 (I-10) to South Price Road in Chandler, on weekdays beginning Monday, September 16 through Friday, October 4, 2024.

The project includes micro-surfacing the existing roadway and installing new signage and pavement markings. It is recommended to allow for extra time for travel as delays can be anticipated while work is underway. During active construction, lanes will be reduced to allow for one lane of travel in each direction.

Please watch for work crews, obey all traffic control signs and slow down in the work zone.
