

PUBLIC NOTIFICATION

Public Works & Transportation

District 4 & District 5

The Gila River Indian Community (GRIC) Department of Public Works (DPW) is planning to upgrade existing waterline services in the following subdivisions, located in District 4 & 5.

The project will require the removal of existing pavement to facilitate the water service line replacement. The Community's Department of Transportation (DOT) will repave the entire subdivisions once the waterlines have been upgraded.

The selected contractor shall begin with the order of operations as follows:

District 5 Sacate Subdivision
District 4 Gila Butte I Subdivision
District 4 Gila Butte II Subdivision

***Equipment mobilization for these scheduled Subdivisions
will begin Monday, November 4, 2024.***
